ฮาริ โอร่า

About Hari Ora

Hari Ora means Happy Life. We believe that “The simple things can being the most happiness”.
Hari Ora comes from our intention that to support basic needs of comfortable living and simply beautify which we present by minimal style by daily use.

Our core objective is to be user friendly furniture by chamfering the edge, creating good consuming our stuff. Even you use it alone or with family. We make if craft and details to make the strong and perfect for long lasting furniture. We select wood because wood is both strength and flexibility for structure works which will show natural feeling and touch. Every single reasons above bring perfect product to every home. Your happiness is ours. Please let us be one part of your happiness.

We love to design and we have passion on furniture. We are happy to present our own idea and inspiration by Hari Ora to your home.
